

MEET SCOTT

Scott Greene teaches Digital Media at the W.A.C.C. and is the Executive Director and founder of **GT Solutions**. With over 25 years of experience in Organizational Leadership, Scott has developed a keen ability to navigate organizational disruptions and drive personal growth. His deep-seated passion for people and personal coaching led him to establish GT Solutions in 2022, an organization dedicated to empowering individuals, nonprofits, and businesses through innovative and creative solutions.

Scott's "**Vitality Matters**" initiative, focuses on shaping organizational culture and fostering thriving environments. His work with healthcare organizations and nonprofits across Northern Indiana highlights his exceptional ability to generate new solutions to existing problems.

Scott's blend of classic coaching techniques, combined with his passion for technology and creativity has transformed many organizations. He and his wife Deanna also coach couples through "**Marriage Matters**," supporting countless marriages. Married for 27 years, they have four children ranging from college age to middle school.

An outdoor enthusiast and community advocate, Scott teaches digital media classes here at the WACC, attempting to bring a fresh and dynamic perspective to his coaching and his classroom. His story is one of passion, innovation, and unwavering commitment to helping others thrive through caring leadership.

Vitality Matters provides non-clinical, collaborative care and coaching for leaders at Warsaw Community Schools. As a wraparound service, we support teachers and administrators in performing their roles effectively while fostering personal health, vitality, and wellness. We operate within the context of authenticity and confidentiality, offering guidance without authority, ensuring that educators and leaders have the resources and resilience to thrive in their work and well-being.
